DID YOU KNOW?

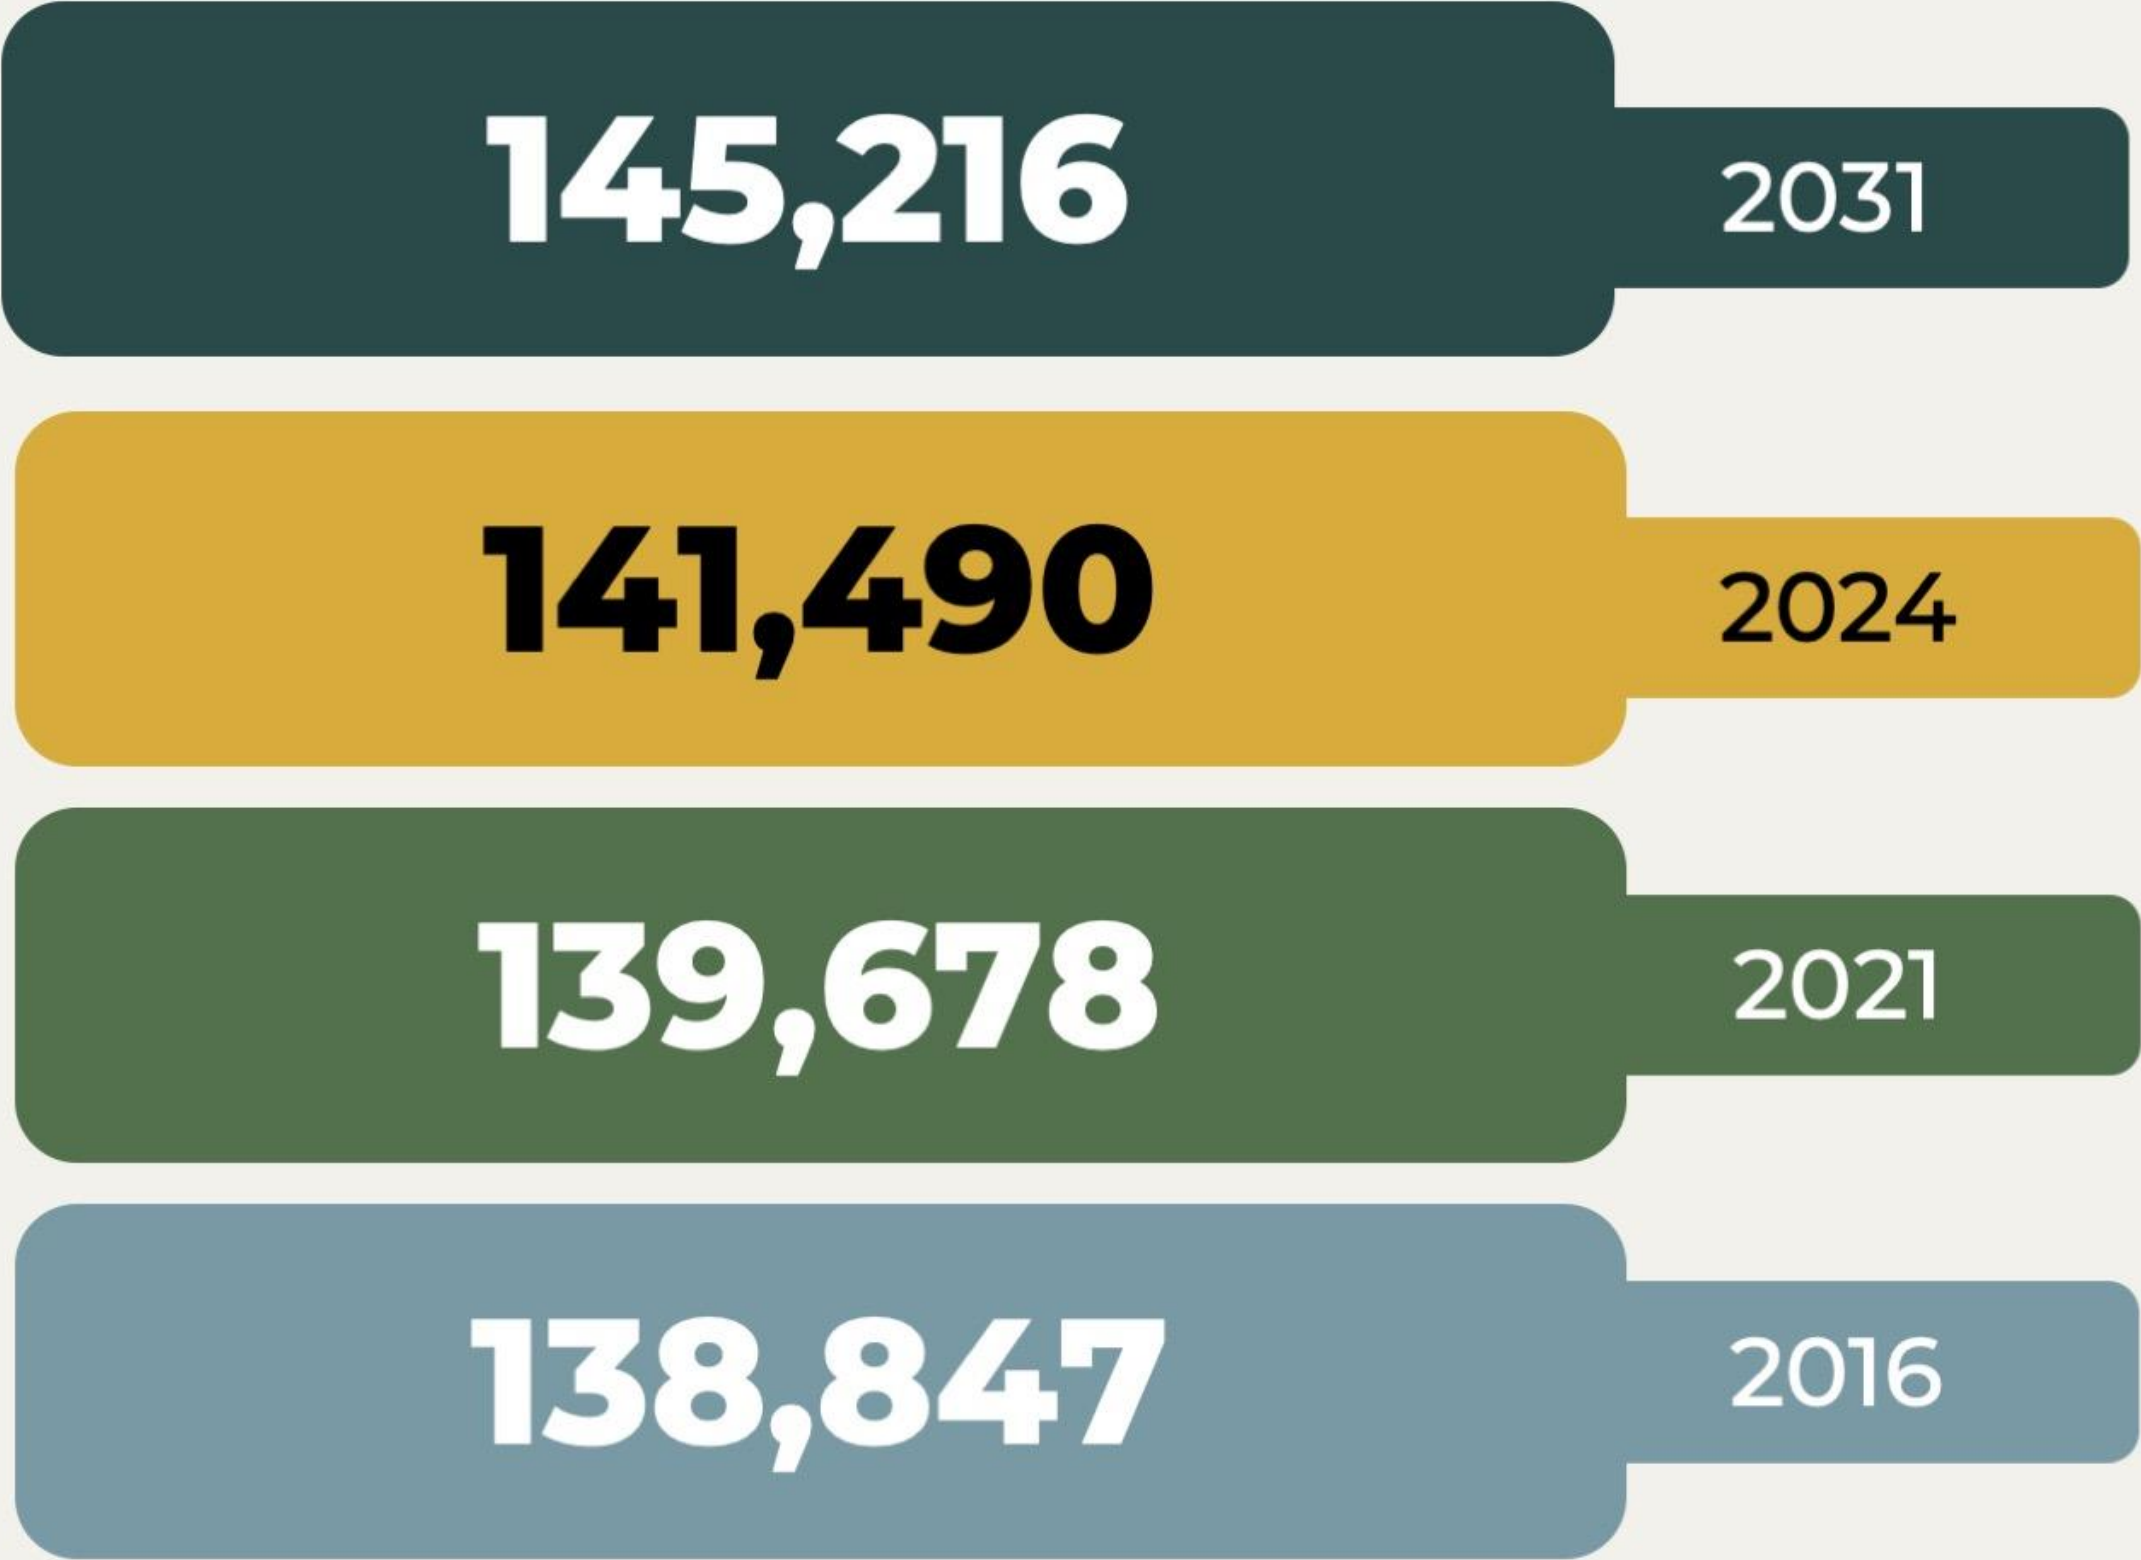

We have the most take-home pay in Canada!

When compared to **12 cities** in British Columbia, Ontario, and other parts of Alberta, the Grande Prairie region stands out with the **highest median household income after tax**. That means more take-home pay to enjoy the lifestyle you deserve.

You get Northern Living bonuses!

Ready for a little bonus just for living here? Choose to live in one of our designated communities, and the Federal Government will pay you between \$5.50-\$11.00 every day. That's **between \$2,000 - \$4,000 a year extra** in your jeans! You can also claim up to 1,200 kilometers of travel outside the region and earn another **\$2000 bonus**.

REGIONAL DEMOGRAPHIC BREAKDOWN

Approximately 60% of the Region's population resides in the City of Grande Prairie.

The Region's population accounted for 80% of the total population in Census Division 18 and Census Division 19. The population in both Census Divisions is projected to increase 2% by 2031.
